## Lizenzmanager NetLM old

Installation of NetLM for Microsoft Windows 9x or Windows NT 4.

- Program files:

[Start NetLM installation](#)

- Patches:

Installed Version	Date of Release	Size	Operating System	Download
NetlmPatch401-96.exe	22.05.2006	4,7 MB	Windows	<a href="#">Download Patch</a>

**Patch installation:** All Windows-based patches for NetLM are \*.exe program files. They can be executed from an arbitrary location. A previous installation of NetLM 4.0 is necessary.
